8. Code of Conduct & Conflict of Interest
9. Confidentiality & Data Handling
10. Use of Company Vehicles & Equipment
11. Combating Trafficking in Persons
12. Drug-Free Workplace Statement
13. Acknowledgment of Receipt

1. Introduction & Purpose

This Workplace Policy establishes the standards, rights, and responsibilities that govern employment at Voss Group, LLC ("the Company"). It applies to all employees of the Company, and is intended to comply with applicable Washington State and federal law as it relates to the Company's size and the nature of its federal contracting work.

This handbook is not a contract of employment and does not alter the at-will nature of employment described in Section 2. The Company reserves the right to modify, add to, or discontinue any policy described here at its discretion, with reasonable notice to employees where required by law.

2. At-Will Employment

Employment with Voss Group, LLC is at-will. This means that either the employee or the Company may terminate the employment relationship at any time, with or without cause, and with or without notice, except as otherwise provided by law or by a separate written agreement signed by an authorized representative of the Company.

3. Equal Employment Opportunity & Anti-Harassment

Voss Group, LLC is committed to providing equal employment opportunity to all employees and applicants without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, veteran status, or any other characteristic protected by applicable federal, state, or local law.

The Company does not tolerate harassment of any kind, including sexual harassment, in the workplace or in any work-related setting. Employees who believe they have experienced or witnessed harassment or discrimination should report it promptly to the Company's designated point of contact. Reports will be investigated promptly and handled as confidentially as circumstances allow. Retaliation against anyone who reports a concern in good faith is strictly prohibited.

4. Washington Wage & Hour Compliance

Voss Group, LLC complies with the Washington Minimum Wage Act and applicable overtime requirements. Non-exempt employees are paid at least the current Washington State minimum wage and receive overtime pay at one and one-half times their regular rate for hours worked beyond 40 in a workweek, as required by law.

Employees are provided meal and rest breaks in accordance with Washington State requirements: a paid 10-minute rest break for approximately every 4 hours worked, and an unpaid meal period of at least 30 minutes for shifts longer than 5 hours.

5. Washington Paid Sick Leave

Employees accrue paid sick leave in accordance with the Washington Paid Sick Leave law: a minimum of one hour of paid sick leave for every 40 hours worked. Accrued sick leave may be used for the employee's own illness or injury, to care for a family member, for absences related to domestic violence, or for closures related to a public health emergency, consistent with state requirements. Unused accrued sick leave carries over as required by law.

6. Washington Paid Family & Medical Leave

Voss Group, LLC participates in the Washington Paid Family and Medical Leave (PFML) program. Eligible employees may take paid leave, funded through the state program, for the birth or placement of a child, to care for a

seriously ill family member, or for the employee's own serious health condition, subject to the eligibility requirements and benefit amounts set by the Washington Employment Security Department.

7. Workers' Compensation & Workplace Safety

Voss Group, LLC maintains Washington State Industrial Insurance (Workers' Compensation) coverage through the Department of Labor & Industries (L&I) for all employees, as required by law. Any work-related injury or illness must be reported to the Company immediately.

The Company is committed to maintaining a safe workplace consistent with the Washington Industrial Safety and Health Act (WISHA). This includes safe handling procedures for warehouse, delivery, and logistics work, and providing any required protective equipment for tasks that call for it.

8. Code of Conduct & Conflict of Interest

Employees are expected to conduct themselves with honesty, integrity, and professionalism in all dealings with customers, government representatives, suppliers, and coworkers. This is especially important given the Company's work as a federal contractor, where the accuracy of quotes, invoices, and representations to government buyers carries legal weight.

Employees must disclose any actual or potential conflict of interest — including outside employment, financial interests in a supplier or competitor, or personal relationships with a government contracting official — to the Company promptly.

9. Confidentiality & Data Handling

Employees may have access to sensitive information in the course of their work, including pricing strategy, supplier terms, solicitation responses, and government buyer communications. This information must be kept confidential and used only for legitimate Company business purposes. Employees should not discuss pricing strategy or bid details outside the Company, including on social media.

10. Use of Company Vehicles & Equipment

Employees who operate a Company vehicle or use Company equipment for deliveries or logistics work must hold a valid driver's license where applicable, operate vehicles safely and in compliance with all traffic laws, and report any accident or equipment damage to the Company immediately. Company vehicles and equipment are to be used for Company business only, unless otherwise authorized.

11. Combating Trafficking in Persons

In accordance with FAR 52.222-50 and the Company's obligations as a federal contractor, Voss Group, LLC prohibits any employee, agent, or subcontractor from engaging in trafficking in persons, procuring commercial sex acts, or using forced labor in the performance of any Company contract. Violations must be reported immediately and will result in disciplinary action, up to and including termination, and will be reported to the appropriate federal agency as required.

12. Drug-Free Workplace Statement

While the federal Drug-Free Workplace Act's formal requirements are generally triggered by contract value and type thresholds the Company has not yet reached, Voss Group, LLC maintains a voluntary drug-free workplace as a matter of good practice and workplace safety. The unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the workplace or while conducting Company business.

This policy will be revisited and formalized in accordance with FAR 52.226-7 if and when a Company contract exceeds the applicable simplified acquisition threshold and does not qualify for the commercial product/service exemption.

13. Acknowledgment of Receipt

By signing below, I acknowledge that I have received and reviewed a copy of the Voss Group, LLC Workplace Policy & Employee Handbook. I understand that this handbook is not a contract of employment and that my employment remains at-will.
