

Industrial & Facility Supply Distributor - Federal Contracting

COMPANY OVERVIEW

Voss Group LLC is a Washington State-based industrial supply distribution and government contracting company formed in February 2026. We focus on sourcing industrial hardware, safety equipment, maintenance materials, and related MRO products for federal, state, and local government opportunities. DLA and regional defense procurement activities are priority target markets; this statement does not imply an existing customer relationship. Nonmanufacturer Rule applicability and company eligibility are evaluated opportunity-by-opportunity.
